Academies

The Education Team are offering to come out to speak to governing bodies (preferably in clusters) to offer information about the academies programme and the diocesan response as well as to answer questions governors may have about conversion. If your governing body is interested in accessing this, please get in touch with Sheila Barker (Assistant Director – Schools) on 01636 817235. Email sheilab@southwell.anglican.org

Admissions Appeals Panel Training

During the coming academic year we will be running an evening training session for Admissions Appeals panel members. This will be aimed at people considering this role for the first time as well as update training for current panel members. We are desperately in need of more volunteers. Recruiting a Youth Worker

From envisioning the work, to securing the funds, writing the job description and advertising to the interview process. We can also look at supervision and the We Love Our Youth Worker charter.

Mentoring

An introduction to mentoring young people with good practice guidelines. This can be applied to discipleship and developing young leaders.

Engaging Young Christians in Sharing their Faith

Growing young disciples who can gain confidence in sharing their faith in meaningful and appropriate ways in their communities and beyond.

Children becoming young people

Now what do we do? Older children exhibiting adolescent behaviour and Tweenagers in the in between stages. How might we change our approach to the way we work with them to enable them to take on more responsibility for themselves? Discipleship that begins to help them answer some of their own questions.

If one of the training sessions above grabs your attention, or you've got another query or idea, then call Angela on 01636 817233 to discuss the possibilities further. If you can provide the venue and the coffee then I can bring the training to you!
