'Giving for Life' was launched at a series of very successful events for Clergy, Readers, Parish Resource Officers and other lay Financial Officers during February and March - attended by nearly 300 people in all. Speakers at these events included Bishop Paul, John Preston (National Stewardship Officer), Colin Slater (Chair of the 'Giving for Life' working group) and Carole Park.

### Hot News!

Bishop Paul has recorded a short 'video clip' giving his personal view on why giving is important as part of our Christian journey - you can view it at:

### Giving for Life resources

Your clergy should already have received a pack of 'Giving for Life' resources - so please ask them to involve you in the plan of how to best use these in the parish. If the pack has not reached your Clergy, you are in interregnum, or if you need further supplies of leaflets or booklets, please contact Jacky Bates.

### Additional help available

Overleaf you will find details of all the different resources and free help and support available from the team. Please do contact any of the team to talk about how we can help you to use these resources effectively.
