

Small change to  
you could make a  
**BIG** difference  
to your church

If you give by Gift Aid, your church recovers the tax paid on donations, which can make a big difference to its overall income

**However, from April 2011 the amount that can be reclaimed will be reduced from 28% to 25%**

This reduction of 3% may seem small on an individual donation, but multiplied across the church makes a big difference overall. As a result of this change churches across the Diocese of Southwell & Nottingham will lose

**£146,500** • based on 2008 figures

**If you are able to adjust the amount you give to allow for this, it will enable your church to receive the same income as now. If you are unable to do so at this time, please rest assured, your gift is still very much appreciated**

*Please think about this and pray for guidance on what is right for you*
